THE HISTORY OF WUJC

WUJC 88.7 FM has been a proud member of the Cleveland airwaves since May of 1969. **WUJC** has a staff consisting of students, professors, and alumni of John Carroll University as well as community broadcasters. All of our staff members have diverse musical backgrounds and interests and bring out these interests in our alternative programming.

WUJC was located in Grasselli Tower in the Administrative Building until the summer of 1985 when the station relocated to its present home, the bottom level of the Recreational Complex.

Because our radio signal originates from one of the highest points in Cuyahoga County our signal is able to reach a much larger distance than most college radio stations in the area.

With the help of the administration of John Carroll University and funds raised from past radiothons, **WUJC** was able to purchase a new transmitter in the Spring 1988. More improvements are planned for 1989. Stay tuned.

WUJC Spring 1989 Program Schedule

LITHUANIAN VOICE: 40 YEARS ON THE AIR

In September of 1949, Jaunutis P. Nasvytis, Kestutis P Sukys, Alfonsas Mikulskis and Balys Auginas started to broadcast in the Lithuanian language over Radio Station WSRS. The program continued there until September of 1953, when it moved over to WDOK.

In 1961, after eight years at WDOK, the program joined the station of Nations, WXEN-FM. During the year of 1977, WXEN-FM abolished its format of daily nationalities programming and changed its call letters to WZZP, however the Lithuanian program remained on its schedule until December of 1981.

From December, 1981 until February, 1984, the Voice was heard on WJW. From February 5, 1984 until September, 1984, it was heard on WERE. When the Big Turn On of Cleveland Public Radio took place on September 8, 1984, the Lithuanian program on Sunday, September 16, 1984, became the first and pioneer ethnic voice on WCPN, 90.3 FM. However the joy was shortlived. WCPN, Cleveland Public Radio, on July 15, 1988 abruptly terminated all ethnic programs.

As of September 4, 1988 Lithuanian Voice is heard again every Sunday 8:00-9:30 A.M. on WUJC FM 88.7. Joseph Stempuzis, who has been the editor and producer of the Lithuanian Voice since 1955, and his many associates have contributed greatly to the success of this program.
